

NORTHERN VIRGINIA DELTA EDUCATION AND COMMUNITY SERVICE FOUNDATION

Building, Strengthening, and Supporting the Northern Virginia Community

August 2018

Dear Prospective Sponsor:

The Northern Virginia Delta Education and Community Service (NVDECS) Foundation invites you to become a community sponsor for our annual NVDECS Foundation Golf Tournament. This signature event will take place on Monday, October 15, 2018, at the Laurel Hill Golf Club in Lorton, Virginia. Proceeds support the mission of the NVDECS Foundation, that is, to make a positive difference in the community we serve by playing a supportive role in providing educational, scientific, civic, literary, and charitable programs for the Northern Virginia community.

Established in 1992, the NVDECS Foundation is the 501(c)(3) arm of the Northern Virginia Alumnae Chapter (NoVAC) of Delta Sigma Theta Sorority, Incorporated. Through a strong affiliation with NoVAC, NVDECS has strengthened the Northern Virginia community with our support of the following programs and projects by:

- Providing annual scholarships to students who reside in Northern Virginia, District of Columbia, and Maryland communities.
- Promoting literacy by reading to elementary children and distributing free books to preschool through sixth grade youth throughout the school year.
- Promoting youth development activities designed to equip elementary and middle school students with skills necessary to pass state-mandated tests and enhance reading and math comprehension.
- Funding programs that introduce middle and high school students to career options and encourage high school graduation and enrollment in postsecondary education programs.
- Sponsoring health and educational services and social activities for senior citizens.
- Introducing youth and adults to cultural programs and activities.
- Promoting economic and financial literacy to all age groups.

We ask for your support as a sponsor of our signature event as we strive to invest in the future of Northern Virginia. To help facilitate your desired level of commitment, enclosed is our sponsorship package. Sponsorship opportunities include luncheon, beverage carts, and tee or green sponsors.

The NVDECS Foundation is a United Way and Combined Federal Campaign organization. It also seeks funding through grants from local and national philanthropic organizations and businesses in addition to donations from individuals through contributions and the establishment of memorial funds. These diverse funding sources are instrumental in the Foundation's ability to fulfill its commitment to assist in addressing the challenges facing the community we serve.

The NVDECS Foundation also supports non-profit activities of other community and civic organizations whose programs address the NVDECS Foundation's mission and commitment to community service in Northern Virginia.

Your generosity over the years has helped the Foundation to provide these academic scholarships as well as award-winning community service programs, and we thank you. Please consider a sponsorship option no later than September 1, 2018. For additional information, contact Ms. Linda Gipson Hitchens at info@nvdecs.org or (703) 971-3537.
